

Sample itinerary -- Wine Appreciation Tour A two day tour.

This tour visits four iconic Riverina wineries and five farms producing foods commonly enjoyed with wine. The itinerary can be adapted to meet your group's special interests.

Day 1.

Visit fish farm. Meet staff involved in a rapidly growing industry, growing Murray Cod, Golden Perch ("Yellow Belly") and Silver Perch for the table.

Visit prune orchard. Meet manager, observe operations according to season.

Next we visit a well-known winery for a short tour of the winemaking facilities and tasting

Visit organic rice/fat lamb producer. See rice milling operation.

Visit the cellar door of an iconic Australian winery for a tasting.

Day 2

Presentation by staff of Riverina WineGrapes Marketing Board. Hear about current trends in growing, and in domestic and export markets.

Visit an olive grove making oils and table olives and fine wines, for luncheon and tasting.

Visit nearby large scale commercial organic vegetable farm.

Visit a second iconic winery – the first established in the Riverina region -- for cellar door tasting.
