Payment of this deposit by the date indicated on the invoice locks in our quote and ensures farm and other site managers (including accommodation and transport providers) will organise themselves to be available to your tour group – no meetings or visits will be secured prior to receipt of the deposit. Balance of fee must be received by ATR ten business days before tour commencement. Failure to meet this deadline may affect provision of transport, accommodation or catering services.

Established regular clients of ATR may wish to discuss credit or other alternative arrangements.

CANCELLATION POLICY

Deposit is non-refundable but will be honoured for 12 months after its receipt. By “fees” is included all professional charges and outgoings that constituted the total fee quoted by us and agreed to by you. Please ensure members of your tour group have appropriate and adequate travel insurance.
