

**Sample itinerary – Rice Farming in the Riverina (one-day tour)**

<b>Day 1</b>			
9.00	Leeton Visitors' Centre	View video on agriculture in Riverina and discussion with staff Taste Riverina	
10.00	Visit Yanco Rural Research Station	View field research work in progress. View historic site for rice industry.	
11.00	Visit Rice Growers Association HQ	Video and discussion with rice industry officials.	
12.00	Visit Rice Farm	See operations according to season and meet and chat with farmer.	Farm chosen depends on weather conditions, availability of farmer, size of group.
1.15	Tour of rice industry infrastructure	By bus. Security and other concerns mean we cannot enter the drying sheds or mills on view.	
1.30	Lunch	Leeton restaurant, depending on budget, day of week and availability.	
2.30	Visit Gogeldrie Weir	Demonstration of the extent of the engineering and operational systems of Murrumbidgee Irrigation Area.	
3.30	End tour
